IMPORTANT—READ CAREFULLY

As a student at Lehigh Carbon Community College, you are responsible to pay your tuition and fees by the payment due date.

Any veteran's benefits are calculated based on your service as a veteran and the number of credits registered for each semester.

1. As a veteran, your reimbursement by the Department of Veteran Affairs or by another third party is sent to Lehigh Carbon Community College.
2. Your account at LCCC will be credited when the funds are received, and any amount over the tuition and fee charges will be reimbursed to you.

Since all the calculations are done by Veterans Affairs, the college has no way of knowing the amount being reimbursed to the Veteran or when the amount will be sent to the college.

Students must maintain a minimum cumulative GPA of 2.0 to maintain good academic standing.

Veterans/reservists/eligible dependents failing to maintain a 2.0 will be placed on academic alert, probation, or suspension, based on their GPA. If at the end of two academic semesters on alert, probation, or suspension, the student does not meet the minimum standard, the Department of Veterans Affairs will be notified within 30 days.

You are responsible for reporting all changes in credit hour load, major, marital status, dependent status, and address. If you withdraw from any course(s), it is **your** responsibility to report each and every change to the college Veterans Office.

If you wish to continue to obtain VA benefits in the future, you must register with the college VA Office each and every semester when you register for classes.
