

INFORMATION FOR STUDENTS ON CAMPUS

July 2020

Please regularly check your college email and the college website for additional updates and any changes. As we work through the COVID pandemic, adjustments may be periodically required.

- Although college staff have returned to work at the campus, we strongly encourage you to schedule virtual meetings with advisors, counselors, financial aid staff, etc. All services are available by phone, email or zoom.
- If you need to come to campus, please contact the needed office(s) to make an in-person appointment. This is important to alleviate wait times and maintain social distancing.
- In addition, if you come to campus, it is also important that you come by yourself. Other persons can be added to the meeting, virtually, as needed.
- You must wear a mask at all times, if you come to campus or any college site. If you cannot wear a mask and would like to request an accommodation, contact the Office of Disability Support Services at 610-799-1156 or dss@lccc.edu.
- Please practice social distancing, keeping six feet of space between you and others.
- Signs have been posted at building entrances to guide you on how to proceed. Plexiglas barriers have been installed at highly visited areas.
- Remember, if you are sick or believe you have recently been exposed to the virus, please stay home. You can contact us by phone or email, and we will be glad to assist you.

COVID-19 Hotline

If you have questions or concerns related to COVID-19, call LCCC's COVID-19 hotline at 610-799- 1012.

Returning to Campus

Currently, there is no food service on campus, but vending machines have beverages and snacks.

Berrier Hall, including the gymnasium and fitness center, is closed through the fall semester.

The Rothrock Library opened to students, July 6. It is not open to the community at this time. Curbside service is available Tuesdays, Wednesdays and Thursdays. Call 610-799-1150 or email rothrock@lccc.edu.

The Bookstore will be open from 10 a.m. to 2 p.m. Monday through Friday. Email lccc@bkstr.com or call 610-799-1126 for additional information. Online purchases will continue at <https://www.bkstr.com/lehighcarbonccstore/home>

Fall Class Formats

LCCC offers a variety of ways for you to meet your academic goals while balancing your personal and professional needs. A few face-to-face courses will be offered, but most will be in alternative formats.

FACE-TO FACE

Course is delivered in a classroom, requiring students to come to campus or site.

ONLINE

Course content is delivered through the Canvas online learning management system, with no specific log in times. You follow instructor directions for deadlines.

REMOTE

Course is a live, virtual classroom, with the class held during designated times. Attendance and participation is required.

HYBRID

Course is a blend of face-to-face instruction (either in a traditional class environment or in a remote classroom) with an online course in Canvas.
