

Mac OSX Wireless Connection Settings (No Onboarding)

These instructions are to be used for faculty & staff connecting to the college Wi-Fi. Only use these instructions for students if the onboarding process does not work.

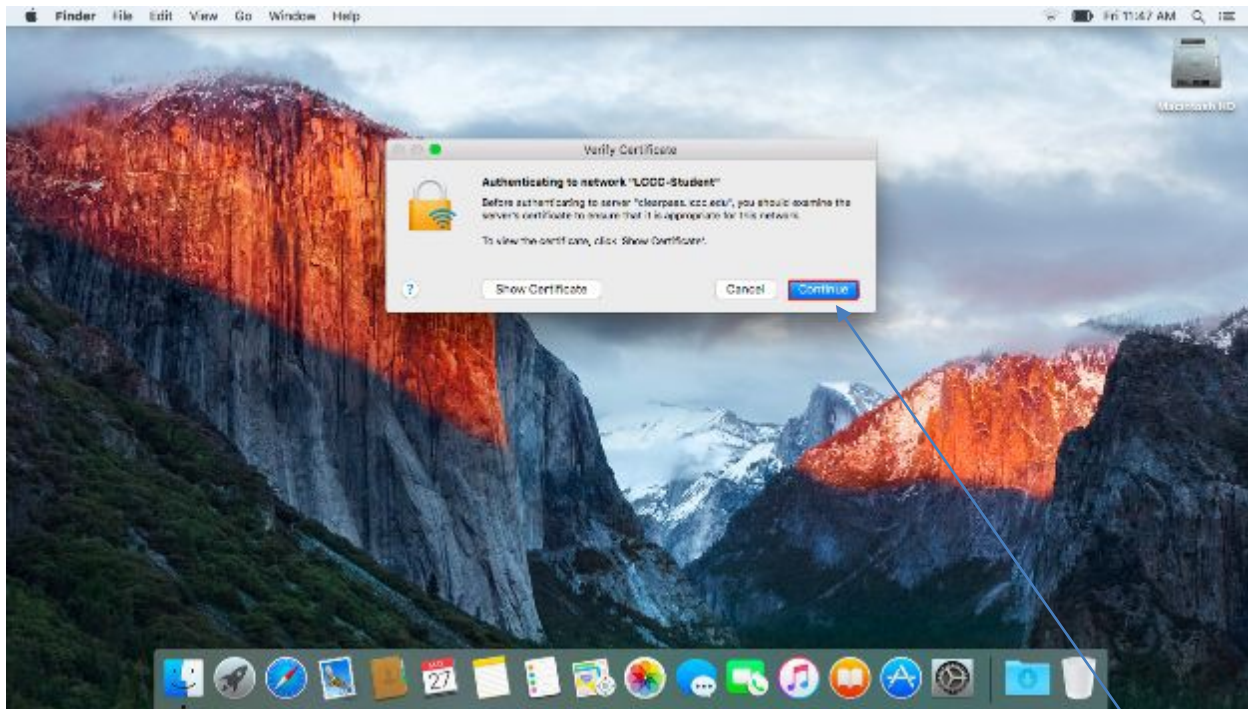

- 1.) Click on the wireless icon in the upper right hand corner of the screen, to the left of the date and time. Next, select the “LCCC-Student” network.

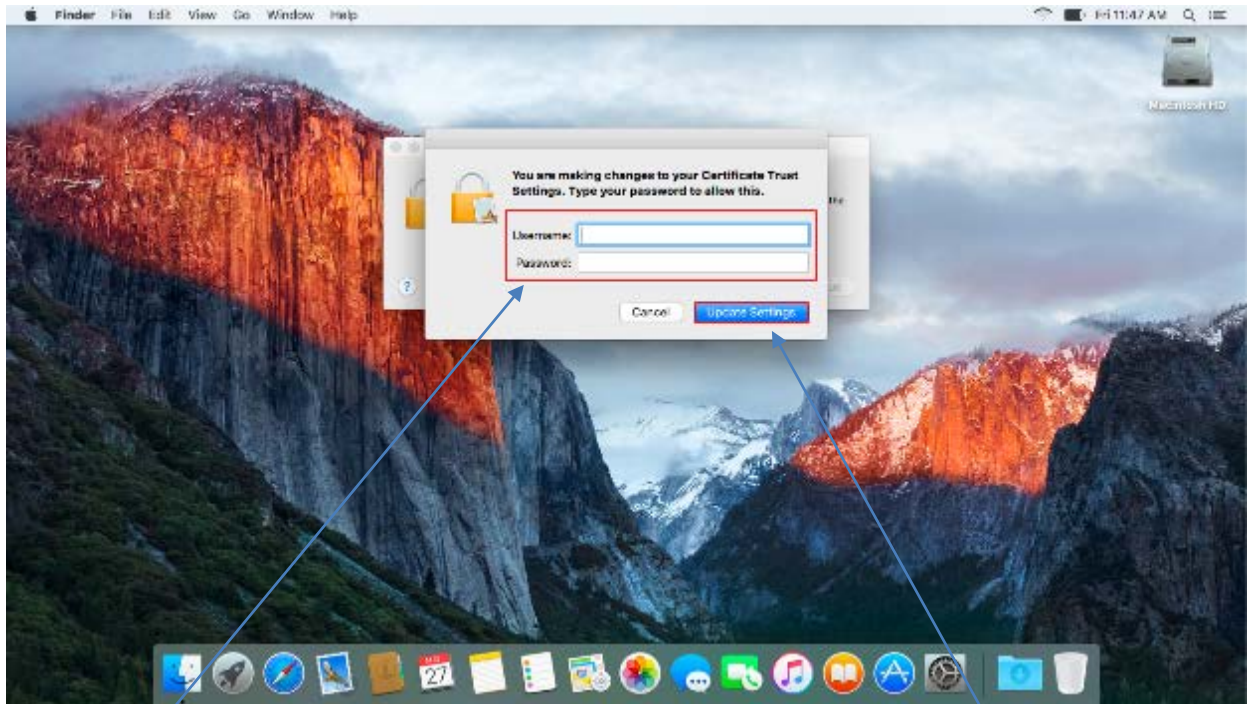

2.) A login window when then pop up, enter in your MyLCCC username and password, and then click the “Join” button.

3.) You will then be prompted to verify the site's certificate. Click on the "Continue" button.

4.) Enter your local computer account's username and password, and then click the "Update Settings" button.

5.) You are now connected to the college Wi-Fi.

The screenshot shows a web browser window with the URL `lccc.edu`. The page features the Lehigh Carbon Community College logo in the top left. To the right of the logo is a search bar with a "Course Search" button and a "Website" dropdown menu. Below the search bar are links for "Library", "Alumni/Giving", "Current Students", and "myLCCC", along with a green "Apply" button. A dark blue navigation bar contains the following menu items: "About LCCC", "Academics", "Admissions", "Tuition & Financial Aid", "Student Experience", "Career Training & Personal Interest", and "Business & Specialized Training". The main content area is a large photograph of the LCCC Student Union building, with the text "LCCC STUDENT UNION" in red above the entrance. A black banner over the photo reads "Fall 2016 Registration is Open!" with a yellow "Learn More" button below it.

Welcome to LCCC!

Affordable and flexible – that's how college should be.
