

iOS Wireless Connection Settings (No Onboarding)

These instructions are to be used for faculty & staff connecting to the college Wi-Fi. Only use these instructions for students if the onboarding process does not work.

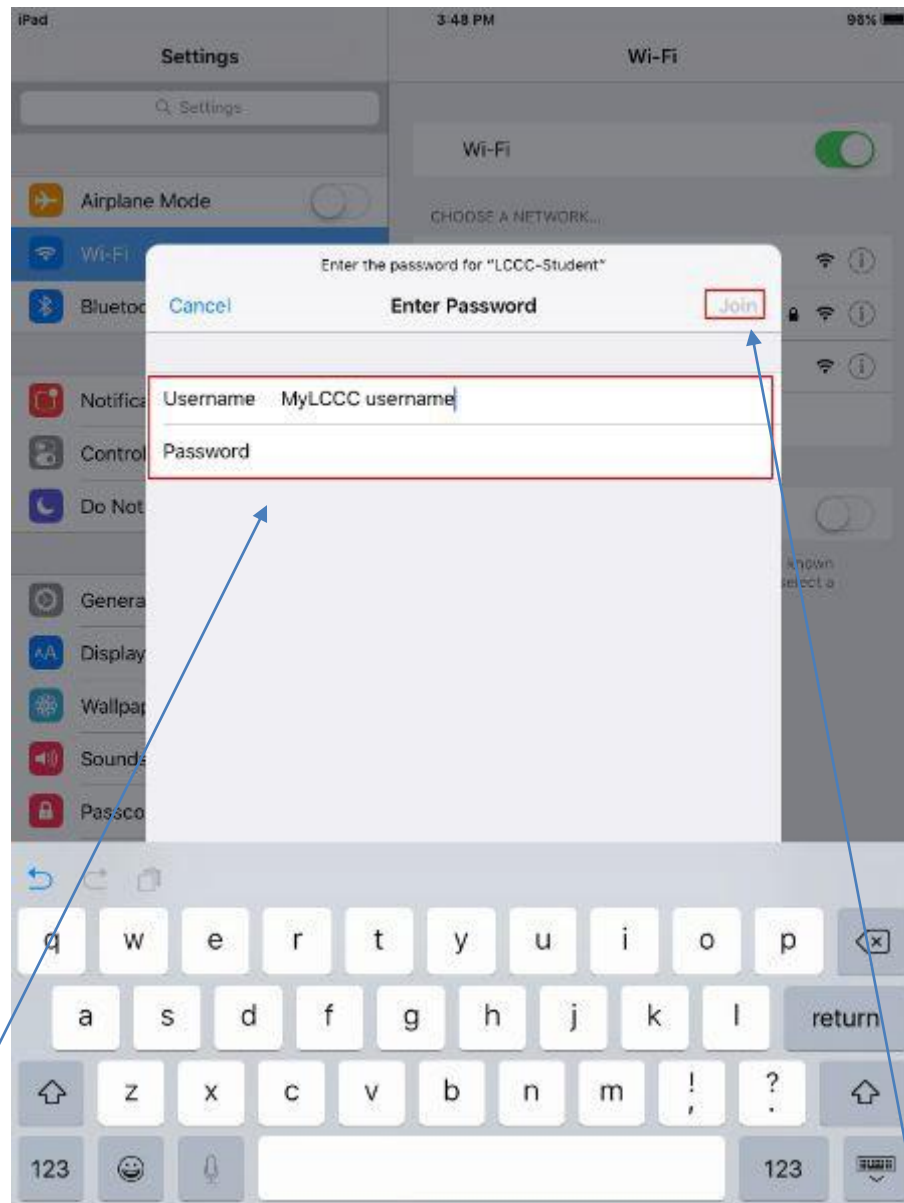

- 1.) On the home screen, tap the settings icon to go to your system settings.

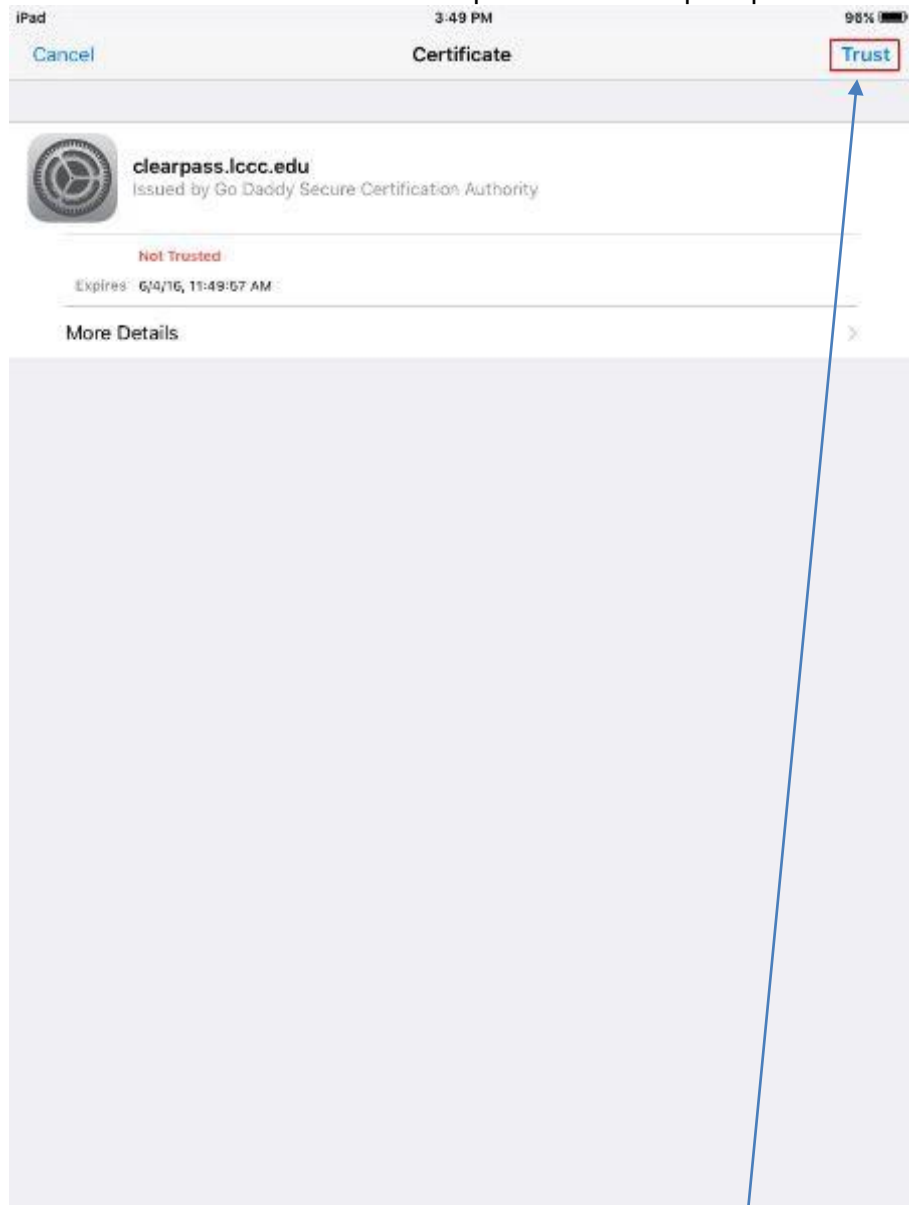

2.) Tap the Wi-Fi settings option, and then select the “LCCC-Student” network.

3.) You will then be prompted to enter in a username and password. Enter in your MyLCCC username and password, and then tap “join”.

4.) You will then be asked to trust the certificate. Tap “Trust” on this prompt.

5.) You are now connected to the collegeWi-Fi.

The screenshot shows the mobile version of the Lehigh Carbon Community College website. At the top, the iPad status bar shows the time as 3:40 PM and 99% battery. The browser address bar displays "lccc.edu". The website header includes the LCCC logo, the name "Lehigh Carbon COMMUNITY COLLEGE", and an "APPLY NOW" button. A navigation menu lists "Academics", "Admissions", "Financial Aid", "Business & Industry", "Athletics", and "Gifts & Grants". The main banner features a photograph of the "LCCC STUDENT UNION" building with a red overlay that reads "Fall 2016 Registration is Open". Below the banner are three navigation buttons: "Future Students", "Current Students", and "Community Education".
