

# Business ACADEMY

## Career Pathway

for Dual Enrollment high school students

### **Academy Information**

Lehigh Carbon Community College's Business Academy can give you an early start in business courses necessary for a Bachelor's program in accounting, economics, management, finance, marketing, or business administration.

### **In this program, you will take classes such as:**

- Principles of Accounting
- Principles of Management
- Principles of Marketing

***and more!***

**Additional information regarding the course sequence can be found on the reverse side of this sheet.**

### **Requirements**

- Students can join the academy during their junior or senior year.
- Approval from principal or school counselor.
- Dual Enrollment students must meet the same prerequisites as all other college students. Some college classes will require placement testing.

This program is a great way to get started in the business field while building skills for the future.
