ANNOUNCEMENTS

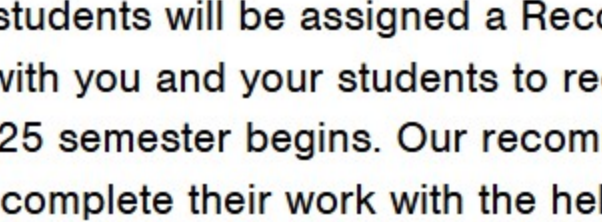

College Voice Summer Schedule

College Voice moves to a summer schedule the week of June 2. For the months of June and July, there will be one edition of College Voice each week. Submissions are due by noon on Fridays and the weekly edition will be distributed on Monday mornings.

Parking Lots C and D Closed For Repairs, May 27 – June 8

Parking Lots C and D will be closed for repairs starting May 27 until June 8. Both parking lots will have cracks filled, be seal coated, and remarked during this time.

Incomplete Grade Recovery Session for Spring 2025

If you are assigning an Incomplete (I) grade for the Spring 2025 semester, you can communicate that with your students and enroll them in the Incomplete Grade Recovery Session that will take place during the Summer Session I, which runs from May 19 through June 27.

Upon enrollment, your students will be assigned a Recovery Success Coach who will communicate with you and your students to recover the incomplete work before the Fall 2025 semester begins. Our recommendation is that you require the students to complete their work with the help of a coach before June 27. Students are more successful when they are held to an earlier due date, and they can progress and enroll in the upcoming semesters.

In order to enroll your students, please complete the Incomplete Grade Recovery Session [enrollment form](#). It is imperative that you fill this form out completely so the process can begin. All questions can be directed to Dr. Melanie A. Turrano, Professor of English and Coaching Commons Coordinator, at [mturrano@lccc.edu](mailto:mturrano@lccc.edu).

Implementation of Soft Quotas on the J Drive

To support better storage management and maintain the health and performance of our file servers, we will be implementing soft quotas on shared folders on the J drive starting May 20, 2025.

What Are Soft Folder Quotas?

Soft quotas are thresholds set to monitor and alert users when usage exceeds a defined limit. These quotas will not block access or prevent additional file storage, but they do help us proactively manage disk space by notifying designated users or administrators of overuse.

Key details:

- Quota Thresholds: 200 GB per folder
- Notification Threshold: 85% usage
- Action Required: Please review your folder contents periodically and archive or delete unnecessary files to stay within quota guidelines.
- Impact: There is no immediate restriction on folder usage, but repeated overuse may lead to further review or follow-up from IT.

Why we're doing this:

- To ensure fair and efficient use of shared storage
- To support system reliability and backup processes
- To avoid the need for urgent cleanups or downtime in the future

If you manage, use a shared folder and have concerns about current usage or future needs, please contact [helpme@lccc.edu](mailto:helpme@lccc.edu) for support or assistance. Thank you for your cooperation.

SMS/Voice Password Recovery Options to be Depreciated for LCCC Identity

Starting after June 1, you will no longer be able to use SMS or Voice messages to reset your LCCC Identity password. Moving forward, you will continue to be able to use more secure options like Okta Verify for self-service password reset or by contacting the Service Desk.

More information can be viewed [here](#). You can review the latest IT news articles at <https://help.lccc.edu>.
