Student Worker Requests Now Open for 2025-2026

Career Development is now accepting student worker requests for the upcoming academic year, July 2025 to May 2026.

Departments in need of student support are asked to complete the [Student Employee Request Form](#), available as a dynamic form in the Faculty & Staff Resources section of the portal, under Career Development.

Thank you to all the departments that have hired student workers in the past! Please remember, even if you've hired before, a new form must be submitted for the 2025-2026 year.

Student employment offers meaningful, on-campus opportunities for students to build career readiness while pursuing their academic goals. We look forward to another great year of collaboration.

REMINDERS

Parking Lots C and D Closed For Repairs, May 27 – June 8

Parking Lots C and D will be closed for repairs starting May 27 until June 8. Both parking lots will have cracks filled, be seal coated, and remarked during this time.

Implementation of Soft Quotas on the J Drive

To support better storage management and maintain the health and performance of our file servers, we will be implementing soft quotas on shared folders on the J drive starting May 20, 2025.

What Are Soft Folder Quotas?
Soft quotas are thresholds set to monitor and alert users when usage exceeds a defined limit. These quotas will not block access or prevent additional file storage, but they do help us proactively manage disk space by notifying designated users or administrators of overuse.

Key details:
• Quota Thresholds: 200 GB per folder
• Notification Threshold: 85% usage
• Action Required: Please review your folder contents periodically and archive or delete unnecessary files to stay within quota guidelines.

• Impact: There is no immediate restriction on folder usage, but repeated overuse may lead to further review or follow-up from IT.

Why we're doing this:
• To ensure fair and efficient use of backed storage
• To support system reliability and shutdown prevention
• To avoid the need for urgent cleanups or downtime in the future

If you manage or use a shared folder and have concerns about current usage or future needs, please contact helpme@lccc.edu for support or assistance. Thank you for your cooperation.

Incomplete Grade Recovery Session for Spring 2025

If you are assigning an Incomplete (I) grade for the Spring 2025 semester, you can communicate that with your students and enroll them in the Incomplete Grade Recovery Session that will take place during the Summer Session I, which runs from May 19 through June 27.

Upon enrollment, your students will be assigned a Recovery Success Coach who will communicate with you and your students to recover the incomplete work before the Fall 2025 semester begins. Our recommendation is that you require the students to complete their work with the help of a coach before June 27. Students are more successful when they are held to an earlier due date, and they can progress and enroll in the upcoming semesters.

In order to enroll your students, please complete the Incomplete Grade Recovery Session [enrollment form](#). It is imperative that you fill this form out completely so the process can begin. All questions can be directed to Dr. Melanie A. Turrano, Professor of English and Coaching Commons Coordinator, at mturrano@lccc.edu.
