

Articulation Agreement

Lehigh Career and Technical Institute to Lehigh Carbon Community College

Electromechanical / Mechatronics Technology

Eligibility

The student must successfully master the task list outlined for the listed CTE secondary program of study and apply to the listed LCCC Degree program in order to be eligible for articulated transfer credits.

LCTI Program	LCCC Degree	Articulation Credits	Challenge Exams
Electromechanical/ Mechatronics Technology 15.0403	Industrial Automation AAS 15.0613	10 credits - BGT 110, 240; ELE 120	
	Electrical and Computer Engineering Technology AAS 14.4701	7 credits - BGT 110; ELE 120	
	Electrical Technology AAS 47.0105	7 credits - BGT 110; ELE 120	HAC 140,155
	Heating, Air Conditioning, and Refrigeration Technology AAS 47.0201		HAC 140,155
	Drafting and Design AAS 15.1301	6 credits - BGT 110, 240	

Requirements

1. The student must complete the technical program of study with a B average or better. The student will need to request a transcript be sent from the secondary technical school to LCCC.
2. In order to receive credits and have them posted on the college transcript, the student must successfully complete (grade of C or better) a three-credit college-level course at LCCC. Articulated credits will not be used to calculate the student's grade point average.
3. This articulation agreement and awarding of credit is acceptable for up to three years after the student has graduated from the CTE secondary program. Students who apply for credit after the three-year period must be able to document that they have been employed or are currently working in an area related to their LCTI program.

Apply

- Please Apply to LCCC by completing the [free application](#).
- Contact Genesis Reyes, CTE Transition Coach, to apply for the articulated credits and any additional help with the process: Email: greyes5@lccc.edu
